TEAMS

We realise that it's not always easy to put yourself forward for teams as we would all prefer to wait to be asked. But ask any team organiser and they will tell you how difficult it can be to fill team slots. NMRC have been very successful in competition in previous years and with your help we can be even more successful this year. All members should be emailed about team competitions about 6 to 8 weeks before each competition to ask if you wish to volunteer. A list of Area qualifiers is included in the schedule of events with the dates of each competition.

Please don't be shy in putting yourself forward.

Your Personal Information

Personal information that you supply to us may be used in a number of ways to facilitate your riding club membership. It should be noted that as we are affiliated to the British Horse Society as a British Riding Club, your personal information will be shared with them in order to fulfil your BRC membership benefits and they may share with associates for the purpose of fulfilling your full membership benefits i.e. insurance providers. We do not share your information with anyone else.

We / BRC will automatically contact you about your membership: for example, to ensure you receive your membership benefits, to tell you about news, activities and events. This includes sending you a regular magazine,

email updates, information on other membership benefits, and publishing competition times and results in the public domain.
