Normal vs Abnormal Equine Behaviours Equine Science Talk

Presented by: Equus with Millie,
Equine Behaviour and Psychologist

Tuesday 12th March 2024
at 7.15pm (doors open 6.45pm)

Venue: Bayford Memorial Hall,
Ashdene Road, Bayford SG13 8PX

Millie specialises in positive reinforcement and clicker training. She has degrees in both equine behaviour and psychology & behavioural science. This talk will help people understand why it is important for us to understand emotional state, read and react to horse behaviours. Millie will explain how horses communicate and how as owners/handlers, you can develop a better understanding if you are having to manage a horse who is either stressed, frightened, anxious or in pain.

Member rate: £8 per person

Non-member rate: £12 per person
