

**Report of Dressage Show at Ashdene on 22<sup>nd</sup> August 2020**

This was our first show of 2020 due to Covid 19 restrictions .

Everyone followed the restrictions as only 6 competitors were allowed to warm up at one time.

Our first trailer got stuck in a ditch at the entrance to the parking field.

The horse was taken off unhurt & after pushing the trailer it was parked in the field.

We had a portoloo just for NMRC use & light refreshments as no hot food was allowed.

Thank you to everyone who followed the restrictions & didn't complain.

Many thanks to Sally & Kelly for letting us use their venue & for making everyone feel welcome.

To our judge Karen Bennett for her positive judging & writer Coral Smith.

Thank you to our scorers Karen Wakefield & Linda Hodges, steward & first aider Louise Pateman & Linda Pateman for reading so many tests. Susah Haniver for being our car parking attendant.

We hope to run another dressage on Sunday 1<sup>st</sup> November weather permitting.
